The 8th Annual Sapperton Day Street Festival is a celebration that brings over 10,000 visitors into Sapperton showcasing its vibrant shops, services, restaurants, community organizations & home based businesses. We shut down East Columbia St. from Braid Street all the way to Sherbrooke St. and the community is filled with music, entertainers, kids bike races, contests, food, prize draws, information booths, vendors, crafts & so much more!

All proceeds from the Festival day are donated to the **Royal Columbian Hospital Foundation**. This year's event will support their Urgent Equipment Needs and Breast Health Program. We invite you to participate in our wonderful community event that **raises thousands of dollars for the Royal Columbian Hospital Foundation** each year.

Guidelines & Limitations:

The Sapperton Day Street Festival is an outdoor event - rain or shine.

The Festival has a policy of "first paid, seller accepted" in regards to identical product brands being sold at the Festival. Be sure to send in your form & payment ASAP.

Vendors are asked to remember this is a family event & are not to sell, display or advertise any improper, offensive or illegal products or services. Market Place Vendors may not perform or sell beverages and/or food items.

You will be provided with a 10' X 10' space on the street along with one event table (approx. 2X6). We recommend you bring a festival tent (no larger than 10' X 10'). Chairs not provided as most vendors use their own (more comfortable) seating. Feel free to use your own tables or display cases to fill the space. Tents or power not provided & **there are no refunds due to weather.**

All participants are asked to be on the street before the street closure. Set up & take down times are stated at the top of this sheet. **Set up & take down times are enforced.**

Site maps & parking passes allowing you to enter the festival site will be sent via email two days before the event. All vehicles on the street should be to assist in set up only - your car must be moved before 11am. Parking will not be allowed on the street during the festival unless as part of a pre-approved display. We suggest that you arrive early to unload items on the sidewalk near your designated area before street closure in order to park your car elsewhere. Parking is available in neighbouring streets, please watch for enforced parking regulations.

It is not possible for festival organizers to guarantee any particular location or stage sightlines.

The Festival is not responsible for any lost, stolen or damaged inventory or items used to promote your business/organization during the Festival.
